Innovative Bucket-Free Mop Handle

- **No more wringing out mops!**
- **No more preparing pre-soaked flat mops!**
- **No more flat mops drying out in use!**

- Integral 500ml reservoir within handle for water or mopping solution
- Lightweight rust-free aluminium handle
- Hygienic mopping - simply select blue, green, red, yellow for colour-coded designated mopping areas
- Use with Contico velcro flat mops and Contico MF30F/MF40F frames

Bucket-free mopping on all hard floors up to 140m²

Quick and easy to fill. Just use your own bottle or jug

Simply push handle top cap down to activate 3 jets ahead of mop giving tri-directional coverage

NEW

Product consists of Stream handle and colour-coded connector only - Flat Mop Frame *included*
