

Duck® Deep Action Gel Marine

REMOVES SOILS AND LIMESCALE / MINERAL DEPOSITS

Sanitises your toilet, killing 99.99% of Bacteria

Product Description

Duck® Deep Action Gel Marine sanitises your toilet, killing 99.99% of Bacteria. Its uniquely shaped neck allows you better reach vs other Toilet Bowl Cleaners*, leaving your toilet clean with a fresh, long-lasting fragrance.

- Disinfectant kills 99.99% of Bacteria
- Passes EN1276 & EN13697
- Sanitises toilets and removes soils & limescale/mineral deposits
- Evenly coats the toilet bowl for 360° coverage, reaches hidden bacteria and grime even under the rim
- Fresh Marine fragrance eliminates odours with no harsh toilet cleaner smell
- Eliminates odours

Where to use:

Toilets

1. Lift the toilet seat.

2. To remove the cap, squeeze the two textured side surfaces and unscrew completely.

3. Tip bottle to fill neck.

4. To disinfect above the water line, direct the liquid gel under the rim and squeeze evenly to coat the entire bowl (approx. 60ml of product).

5. Allow to sit for 5 minutes.

6. Brush the entire bowl and flush.

7. Replace and close cap tightly.

8. Use as frequently as required

Urinals

1. To remove the cap, squeeze the two textured side surfaces and unscrew completely.

2. Simply direct DUCK® liquid at the top inside of the urinal and squeeze evenly to coat the entire surface down to the drain (approx. 60ml of product).

3. Allow to sit for 5 minutes, brush entire inside surface top to bottom and flush.

4. Replace and close cap tightly.

Use biocides safely. Always read the label and product information before use.

*Based on lab testing on open rim toilets for cleaning under the rim.
