

Swarfega® Duck Oil

Multi-purpose Surface Spray.

PRODUCT DESCRIPTION

A silicone-free, non-conductive, low surface tension oil

INSTRUCTIONS FOR USE

Apply by spraying, dipping or brushing. Do not spray onto hot surfaces. For heavily soiled parts, degrease first with Swarfega Jizer Parts Degreaser

HANDLING AND DISPOSAL

Do not mix with any other materials. This material and its container must be disposed of in a safe way. Store in original sealed container below flashpoint (61°C). If spilled, absorb with granules or sand - should not be allowed to enter drains or watercourses.

FEATURES	BENEFITS
Multi-Purpose	Displaces water, penetrates / releases, lubricates damp starter and light degreaser.
Releases Seized Parts	Penetrates tight tolerances to release seized nuts, bolts, components etc.
Effective	Exceptionally low surface tension means it can easily penetrate, lubricate and protect with no need to dismantle machinery and parts.
Easy to Use	Simply spray on and to remove, wipe with a cloth or dip in a solvent degreaser.
Silicone Free	Compatible for use in paintshops.
